CE DECLARATION OF CONFORMITY

I, undersigned ANTONIO CERUTTI, legal representative of the Company SAN MARCO INTERNATIONAL SRL with registered office in via Principe Umberto n° 42/B in Borgomanero (NO) Italy:

DECLARES

that the component type: tower crane for buliding sites

Manufactured by SAN MARCO INTERNATIONAL SRL

Type: SMT 50

Serial Number:

T/171

Year:

2004

will be included in a machine or assembled with further components in order to manufacture a machine complying to the 98/37 CE directive. It is not allowed to put the component in function until the whole machine, to which it is applied, will be declared in conformity with the 98/37 CE-89/336 and subsequent directives, including the safety and health qualifications, and with the rules and the plans concerning EN 292 - EN 294 - EN 349 - EN 574 - EN 60204 - ISO 3864 rules. Not allowed variations, additions or transformations of the product are forbidden due to warranty and safety reasons. The manufacturer won't be deemed responsible in case of any damage due to such use. The risk of improper use of the component or the improper use in different working conditions than specified in the instruction manual is on user responsibility. On the above mentioned component the CE marking has been affixed.
